Dear Professor Nelson:

Attached is the paper "Radioactive Composition of Airborne  
Particulates at Ambrosia Lake, New Mexico", which was accepted  
for publication and presentation at the Fifth Annual Symposium on  
Uranium Mill Tailings Management by your letter of July 13, 1982.  
It has been prepared in accordance with the guidance provided by  
that letter.

If you have further questions, please let me know.

Very truly yours,

W. J. Shelley, Vice-President
