IN RESPONSE REFER
TO FOIA-82-366

Dear Mr. Prendergast:

This is in partial reply to your letter dated August 9, 1982, in which you requested, pursuant to the Freedom of Information Act, copies of all documents pertaining to the Zack Company and/or work performed by that company in the construction of the nuclear facilities located at LaSalle, Illinois, Clinton, Illinois and Midland, Michigan.

In partial response to your request, we are providing you with copies of the documents listed on Appendix A. Appendix B lists some documents which appear to be subject to your request that are already available in the NRC's Public Document Rooms. Additionally, we are advised by our Region III -Chicago office that a portion of the requested documentation is readily available at the public document rooms located near each facility listed in your request, and at the NRC Public Document Room located at 1717 H Street, N.W., Washington, DC. For your information, the addresses of the pertinent NRC Local Public Document Rooms are listed on Appendix C.

Our search for documents which may be subject to your request is continuing, and we will communicate with you again when our search efforts are completed.

Sincerely,

A handwritten signature in black ink, appearing to read "J. M. Felton".

J. M. Felton, Director
Division of Rules and Records
Office of Administration
