MEMORANDUM FOR: J. M. Felton, Director, Division of Rules and Records
FROM: J. G. Keppler, Regional Administrator
SUBJECT: FOIA REQUEST 82-366-ZACK AND GAP DOCUMENTS

With regard to the subject request, the regional staff has reviewed it and considers that a portion of the requested documentation is readily available from the public document room. Due to the extensive workload currently imposed upon the staff, insufficient time is available to research all of our public records for applicable documents. We consider that the remainder of the requested records should be withheld as release at this time would adversely affect the ongoing investigation.

Should you or your staff have any questions regarding this matter, please contact Pearl Smidth (384-2655) of my staff.
