Proposed Decommissioning Plan  
Shoreham Nuclear Power Station - Unit 1  
Docket No. 50-322

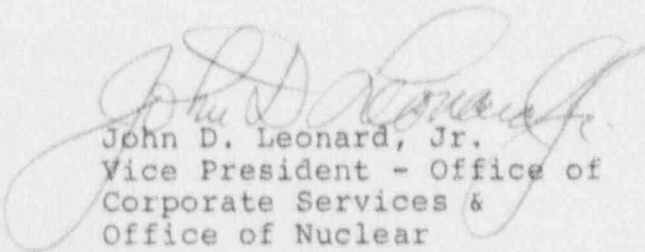

Gentlemen:

The Long Island Power Authority (LIPA) has submitted a proposed Decommissioning Plan for the Shoreham Nuclear Power Station. In connection with that submittal LILCO requests that:

- (1) the NRC Staff consider this proposed decommissioning plan as the one which must be submitted prior to or with an application for termination of license (10CFR50.82),
- (2) fees associated with the review of the proposed decommissioning plan be charged to the Shoreham docket and forwarded to LILCO for payment until license transfer, and
- (3) NRC Staff requests for additional information be sent directly to LIPA.

Your cooperation in this matter will be greatly appreciated. Please do not hesitate to call my office should you need additional information or clarification concerning this request.

Very truly yours,

  
 John D. Leonard, Jr.
