MEMORANDUM FOR: Richard L. Bangart, Director  
 Division of Low-Level Waste Management  
 and Decommissioning, NMSS

FROM: Richard E. Cunningham, Director  
 Division of Industrial and  
 Medical Nuclear Safety, NMSS

SUBJECT: REQUEST FOR ASSISTANCE - UNC, INC.,  
 SEPTIC LEACH FIELD DECOMMISSIONING

In my December 6, 1990, memorandum to you, subject as above, I enclosed water and soil sample results from the septic field, UNC, Inc., for your review. We have received additional sample results from the licensee which we have enclosed for your consideration of our original technical assistance request.

If additional information is needed for your review, please contact Dr. Sean Soong (X20604) of my staff.
