Gentlemen:

Thank you for your letter dated September 27, 1982, informing us of the steps you have taken to correct the noncompliance which we brought to your attention in Inspection Reports No. 50-266/82-13 and 50-301/82-13 forwarded by our letter dated August 26, 1982. We will examine these matters during a subsequent inspection.

We understand, based on a telephone conversation between your Mr. E. Lipke and our Mr. P. Lovendale on October 18, 1982, that any change in cement brands in the future will be thoroughly evaluated for acceptability before being used.

Your cooperation with us is appreciated.

Sincerely,

R. L. Spessard, Director
