Docket: 50-188/82-01

Kansas State University
Department of Nuclear Engineering
ATTN: Dr. R. E. Faw, Director
Nuclear Reactor Facility
Manhattan, Kansas 66505

Gentlemen:

This refers to the inspection conducted by Messrs. R. T. Redano, W. S. Schum, and M. E. Murphy of our staff during the period September 16-17, 1982, of activities authorized by NRC Operating License R-88, and to the discussion of our findings with you and other members of your staff at the conclusion of the inspection.

In addition to the routine inspection of your licensed activities, this inspection served to introduce R. T. Redano as principal inspector for your facility effective September 13, 1982.

Principal areas examined during the inspection included: (1) organization, logs, and records; (2) review and audit function; (3) requalification training; (4) procedures; (5) surveillance activities; (6) experiments; (7) radiation control practices; (8) environmental protection; (9) emergency planning; and (10) followup on unresolved items. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the inspectors.

Within the scope of the inspection, no violations or deviations were identified.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you believe to be exempt from disclosure under 10 CFR 9.5(a)(4), it is necessary that you (a) notify this office by telephone within 10 days from the date of this letter of your intention to file a request for withholding; and (b) submit within 25 days from the date of this letter a written application to this office to withhold such information. If your receipt of this letter has been delayed such that less than 7 days are available for your review, please

notify this office promptly so that a new due date may be established. Consistent with Section 2.790(b)(1), any such application must be accompanied by an affidavit executed by the owner of the information which identifies the document or part sought to be withheld, and which contains a full statement of the reasons on the basis which it is claimed that the information should be withheld from public disclosure. This section further requires the statement to address with specificity the considerations listed in 10 CFR 2.790(b)(4). The information sought to be withheld shall be incorporated as far as possible into a separate part of the affidavit. If we do not hear from you in this regard within the specified periods noted above, the report will be placed in the Public Document Room.

Should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

Original Signed By
G. L. Madsen
