Gentlemen:

Subject: Inspection No. 9999-016

This letter refers to the routine inspection of an irradiated reactor fuel shipment in-transit conducted by Mr. G. C. Smith of this office on December 19, 1990, at the Atlantic Container Lines Marine Terminal, Elizabeth, New Jersey, and to the telephone conversation between Mr. Smith and Ms. F. Oshinowo of your staff at the conclusion of the inspection to discuss our findings.

Areas examined during this inspection are described in the NRC Region I Inspection Report which is enclosed with this letter. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

Within the scope of this inspection, no violations were observed.

No reply to this letter is required. Your cooperation is appreciated.

Sincerely,
