Gentlemen:

Subject: Inspection 50-333/80-20

This refers to your letter dated June 1, 1982, which provided information on the status of the Augmented Off-Gas Treatment System repair and testing.

Since we are following closely your efforts in this area, please provide this office with an update on system status by November 30, 1982, should the system not be operational by that time.

If you have any questions, please contact this office. Your cooperation with us is appreciated.

Sincerely,
