Subject: Amended General Atomics Quality Assurance Topical Report

Dear Mr. Spraul,

Three copies of Amendment 11 to General Atomics' Topical Report, GA-A13010A, "General Atomics Quality Assurance Program", are hereby submitted for staff review and approval. Amendment 11 revises the topical report to reflect the changes to the QA Program that have occurred since publication of Amendment 10.

Should you have any question regarding the changes, please feel free to contact Chris Dryer at (619) 455-3794.

Sincerely,

A handwritten signature in cursive script that reads "Jack Kennedy".
