(Comanche Peak Steam Electric Station,
Units 1 and 2); Docket Nos. 50-445 and
50-446; Exhibits to Testimony of CASE
Witness Jack Doyle

Dear Mrs. Ellis:

In accordance with our telephone conversation today, I am enclosing clean copies of the drawings attached to Mr. Doyle's testimony on which he had made handwritten notes. As I stated, we intend to submit these drawings to replace Mr. Doyle's exhibits as directed by the Board, Tr. 5190. In addition, the information contained in those notations appears to be already reflected in the record, viz., in Mr. Doyle's testimony and/or the handwritten pages containing his notes which precede the exhibits. Accordingly, we plan to submit these documents upon agreement as to their authenticity. Tr. 5778.

Please contact us upon review of these documents so we might transmit copies to the Board, the NRC Staff and the reporter.

Sincerely,

William A. Horin
