DEC 28 1990

Industrial NDT Company, Inc.
ATTN: Mr. Jerral W. Patterson
Radiation Safety Officer
3377 Ridgeway Street
North Charleston, SC 29405

Gentlemen:

SUBJECT: REVIEW OF RADIATION INCIDENT

In response to your letter dated December 3, 1990, we have reviewed our files relating to the radiation incident in which your company was involved on February 13, 1989.

This review has not identified any individuals not already known to Industrial NDT who may have received radiation exposure as a result of this incident.

Sincerely,

WEC

William E. Cline, Chief
Nuclear Materials Safety and
Safeguards Branch
Division of Radiation Safety
and Safeguards
