DOCKET 50-155 - LICENSE DPR-6 - BIG ROCK POINT PLANT -  
DOCKET CORRESPONDENCE

An August 28, 1990 letter was submitted notifying the NRC of the transfer of Corporate Nuclear Licensing functions to the plant site. In that letter, it was requested that a copy of all Big Rock Point correspondence be forwarded to Thomas C Bordine, Nuclear Licensing Administrator of the Corporate Office in Jackson. That position no longer exists and we request that a copy of correspondence no longer be sent to Mr. Bordine. Correspondence should continue to be forwarded to William L Beckman, Plant Manager and/or David P Hoffman, Vice President, Nuclear Operations Department as appropriate.
