Gentlemen:

SUBJECT: DOCKET NOS. 50-321 AND 50-366

This acknowledges the receipt of your letter of November 27, 1990, which transmitted a Revision dated November 15, 1990 to the Hatch Physical Security Plan.

Our review of the changes has found most of them to be consistent with the provisions of 10 CFR 50.54(p). Accordingly, they are acceptable for inclusion into the plan. Two of the changes require further clarification as delineated in the enclosure to this letter. Our concerns were discussed between Mr. S. Bethay of your office and Ms. C. The enclosure to your letter is being withheld from public disclosure because it contains Safeguards Information and must be protected in accordance with the provisions of 10 CFR Part 73.21.

Should you have any questions concerning this letter, we will be glad to discuss them with you.

Sincerely,
