Gentlemen:

Subject: Inspection Report No. 50-219/90-22

This letter transmits the report of the routine safety inspection conducted by E. Collins for the period October 21, 1990, through December 1, 1990, at the Oyster Creek Nuclear Generating Station. The inspection consisted of document reviews, personnel interviews and observations of activities. The enclosed report documents the inspection results. Inspectors discussed the findings with you and members of your staff after the inspection.

No response to this letter is required.

I appreciate your cooperation with us in these matters.

Sincerely,
