Gentlemen:

This is to inform you of our plans to escort three representatives of GOSPROMATOMNADZOR USSR on a visit to your Comanche Peak Plant site on January 14, 1991 (GOSPROMATOMNADZOR (GPAN) is the USSR equivalent of the U.S. NRC). The three GPAN representatives will be in the U.S. as guests of the NRC during the approximate period of January 8-February 12, 1991, and will be hosted by the NRC Region IV Office during January 11-17. The names of the USSR participants, schedule of events, and discussion topics will be the same as described in our letter to you dated October 24, 1990.

Should you have any questions concerning this matter, please call me at 817/860-8183, as I will be acting as the Region IV project coordinator for the Soviet inspector visit.
