Gentlemen:

Thank you for your letter of November 29, 1990, in response to our Notice of Violation dated October 30, 1990. We have reviewed your reply and find it responsive to the concerns raised in our Notice of Violation. Your thorough review of the violations and proposed aggressive corrective actions indicates to us that you plan to implement a high quality radiation protection program. We will review the implementation of your corrective actions during a future inspection to determine that full compliance has been achieved and will be maintained.

Sincerely,

Original Signed By

Samuel J. Collins, Director
Division of Reactor Projects
