NOTICE OF APPEAL^{1/}

Pursuant to 10 CFR §2.762 of the Commission's regulations, the Massachusetts Attorney General and the New England Coalition on Nuclear Pollution (the Intervenors) hereby appeal the Memorandum and Order issued by the Atomic Safety and Licensing Board on December 18, 1990, LPB-90-44, those portions of the Memorandum and Order of the Atomic Safety and Licensing Board

^{1/} The Intervenors state that this filing which protects their right to pursue additional intra-agency appellate review of the Seabrook licensing action reflects no intention or purpose to elect to continue such intra-agency review in derogation of their rights to have final action reviewed by the cognizant Court of Appeals. The Intervenors file this notice only to ensure that no argument will lie at any later date that they failed to exhaust administrative remedies.
