 - 8) Telephone Conversation EJ McAlpine, ED Flack,
TP Winslow, and RH Foleck, 1/9/91

During the reference (8) telephone conversation of January 9, 1991, it was agreed that the wording of license application section 6.6.1.1 and 6.6.1.2 of our URLS submittal dated 12/3/90 would be changed. Attachment 1 of this letter is the revised page to Part I of our application with the changes identified by an asterisk in the right hand column. This revised page, I-6.7, is identified as revision 28 and supersedes the previous page in its entirety.

General Electric personnel would be pleased to discuss this matter further with you and your staff.

Sincerely,

GE NUCLEAR ENERGY
