SUBJECT: Revision of Pacific Nuclear Systems, Inc. Quality Assurance Manual

REFERENCE: NRC Letter of 7-27-90 from Anthony T. Gody to R. Howard Smith

Dear Sirs:

Enclosed with this letter, please find a controlled copy of Edition 2, Revision 1 of the Pacific Nuclear Systems, Inc. (PNSI) Quality Assurance Manual. This manual has been revised to address the comments contained in the referenced letter.

All changes in this revision have previously been informally provided to and discussed with Mr. Jack Spraul of the NRC staff.

When accepted by the NRC staff, this manual will be issued to current holders of controlled PNSI QA Manuals and will provide QA policy for all of our operating subsidiaries identified in the manual.

Please return the enclosed transmittal acknowledgement form to indicate your receipt of this document.

I can be reached at (206) 874-2235, and will be pleased to answer any questions you may have concerning this revision.

Sincerely,

Pacific Nuclear Systems, Inc.

A handwritten signature in cursive script, appearing to read "R. Howard Smith".

R. Howard Smith
Director, Corporate Quality Assurance

Enclosures: As stated
