MAY 14 1990

NOTE FOR: Michael Weber, OCM/KC

FROM: James L. Blaha, Assistant for Operations, EDO

The list of participants in the Medical Use Pilot Program that you requested is attached. Please note that the Pilot Program is in a delicate stage currently; i.e., just beginning the 60-day trial use period. To help guard against possibly biasing or otherwise interfering with the Pilot Program we were not keeping the list of participants, and had to request it from our contractor. We believe that this is sensitive information, and it is marked accordingly. It is for your use only. We recommend that it not be released to anyone else.
