RE: License #42-02964-01

Dear Mr. Cain,

This letter is to inform you that Atlas Wireline Services will no longer store radioactive material at the facility located at 607 Martin Road, Woodward, Oklahoma 73801.

Environmental surveys have been made. The samples have been sent to the vendor for analysis. A copy of the analysis results and physical survey will follow this letter at a later date.

Please find enclosed an updated copy of the Atlas Wireline Services locations operating in NRC regulated states.

There has been an error in the above list since 2-1-88 at the time Atlas Wireline Services and NL McCullough merged. The present list indicates that this facility is located at the old address 4620 B-B Drive in Woodward. Enclosed please find a copy of a request for amendment to change the address to 607 Martin Road in Woodward, OK dated October 26, 1987 and signed by Bob Chauvin.

Radioactive materials and radiological records have been moved to the Atlas Wireline Services facility located at 5620 Oklahoma Avenue in Woodward.

Should additional information be required, please advise.

Sincerely,

Bill Rose
