Gentlemen:

Subject: Resolution of Conditions for Initial Criticality

The Nuclear Regulatory Commission's Region II Office has determined by inspection that the items identified in paragraphs 1 and 2 of Attachment 1 to Operating License No. NPF-12 have been satisfactorily resolved. This letter constitutes written confirmation that the requirements constraining initial criticality have been completed and SCE&G may proceed to initial criticality in accordance with the conditions of the operating license.

Should you have any questions, we will be glad to discuss them.

Sincerely,

*JS*
