Gentlemen:

Subject: Inspection No. 030-22143/90-01

This refers to your letter dated November 30, 1990, in response to our letter dated October 31, 1990.

Thank you for informing us of the corrective and preventive actions documented in your letter. These actions will be examined during a future inspection of your licensed program.

In regard to training and qualifications for authorized well loggers, we have enclosed guidance for preparation of applications for well logging operations. You may contact our office should you have any additional questions after review of this document.

Your cooperation with us is appreciated.

Sincerely,
