Dear Dr. Myers:

This confirms a recent conversation between Mr. Aubrey Godwin of your staff and Mr. R. L. Woodruff of my staff relating to NRC's review of the Alabama Radiation Control Program for agreement material. As discussed, the formal review is scheduled for November 29 - December 3, 1982.

Mr. Woodruff, State Agreements Representative, Mr. J. M. Brown, Office of Nuclear Material Safety and Safeguards, and Mr. J. Hornor, Region V, will be the NRC's representatives for the review. If your schedule permits, our representatives would like to discuss the results of the review with you during the morning of December 3, 1982.

If you have any questions or desire to discuss this matter with me, please do not hesitate to call.

Sincerely,

(Original signed by James P. O'Reilly)
