Docket No. 50-267

SUBJECT: Certification of Nonpossession of National Security  
Information and Restricted Data and Request for Termination  
of Security Facility Approval

Dear Sirs:

In accordance with 10CFR95.53(a), this letter conveys Public Service Company of Colorado's certification of nonpossession of National Security Information and Restricted Data. All documents and materials containing National Security Information in the possession of Public Service Company of Colorado have been declassified in accordance with 10CFR95.45, destroyed in accordance with 10CFR95.47 or transmitted to a person authorized to receive them in accordance with 10CFR95.53. This certification is submitted under oath or affirmation which has been included as enclosure 1 to this letter.

Public Service Company of Colorado no longer has a need to use, process, store, reproduce, transmit or handle classified matter at the Fort St. Vrain Nuclear Generating Station located in Platteville, Colorado, or at its Nuclear Engineering Division Offices located in Denver, Colorado. Please take the necessary steps to terminate the security facility approvals for these two locations in accordance with 10CFR95.23 and 10CFR95.53(a).
