In the Matter of  
Long Island Lighting Company  
(Shoreham Nuclear Power Station, Unit 1)  
Docket No. 50-322 (OL)

Dear Administrative Judges:

On November 2, 1982, the NRC Staff filed "NRC Staff's Proposed Opinion, Findings of Fact, and Conclusions of Law on Unresolved Safety Issues in the Form of a Partial Initial Decision." It has come to my attention that there is an error in proposed finding No. 12, on page 17. The last sentence in that finding, beginning with "Finally, to satisfy the Staff, . . .," and ending with ". . . the base case established in NUREG-0619," should be deleted. In July, 1982 (subsequent to publication of SSER # 2), the test referred to in that sentence was waived by the Staff.

Sincerely,

David A. Repka  
Counsel for NRC Staff
