Subject: Revision 1 to the Vermont Yankee Training and Qualification
Plan for Security Personnel

Dear Sir:

In Reference (b), the Commission approved the Vermont Yankee Training and Qualification Plan for Security Personnel. This letter provides Revision 1 to the Plan which makes several changes as outlined in Attachment A. In addition, Vermont Yankee has taken a position with regard to some of the requirements of the Plan and has provided Attachment B to make these positions known to the Commission.

We have determined that these changes do not result in a decrease of the safeguards effectiveness of the Plan; and therefore, this revision is forwarded for your information and use.

The Vermont Yankee Training and Qualification Plan and both attachments are considered Safeguards Information and as such, shall be withheld from public disclosure in accordance with the provisions of 10CFR73.21.

Included with each copy of the change is a Change Transmittal Form. Please ensure that the required forms are completed and returned to the addressee designated on the form.
