Mr. Tim Martin
NUCLEAR REGULATORY COMMISSION
Region One
631 Park Avenue
King of Prussia, PA 19468RE: License Amendment, R.T.I., Rockaway, N.J.

Dear Mr. Martin:

This is a request for an amendment to License No. 29-13613-02. The only change is a revised organizational chart for Radiation Technology, Inc., (enclosed), naming David Constantine as the General Manager of the Rockaway plant. On August 22, 1986, under Amendment No. 19, to the above License, David Constantine was suspended from holding a management position. It is our interpretation of the conditions of Amendment No. 19 that this disciplinary action was for a period of six months.

We are therefore requesting that he be reinstated to the position of General Manager.

Enclosed, please find a check for \$230.00 to cover the amendment fee. If you have any questions, please contact me.

Sincerely,

Tass Varaklis
Vice President Operations
and Engineering
