License No. 29-13613-02

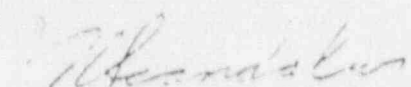

Dear Mr. White:

Our license condition 11 D. requires that Mr. Michael Buring be on-site at Rockaway Process Technology North Jersey for at least 24 hours per week.

During the week of September 30 through October 7, Mr. Buring will not be available to fulfil this requirement. We therefore request your approval to substitute Mr. James Nicolosi of Westinghouse Radiological Services Inc. for Mr. Buring during that week.

We, of course, will await your approval for his requested change.

Very truly yours,

John M. Scandalios
President
