Dear Administrative Judges:

In the "NRC Staff Response to Memorandum and Order of September 22, 1982," filed October 12, 1982, the Staff stated that it expected to issue Supplement No. 3 to its Safety Evaluation Report ("SSER No. 3") "within the next four weeks." Response, at 19. The technical staff has advised Staff counsel that SSER No. 3 will not be issued within that time frame. Staff counsel will inform the Board and parties as soon as that supplement is issued and will provide copies of the supplement.

Sincerely,

Marjorie U. Rothschild
