Docket No. 030-14088

Gentlemen:

This letter is written in response to your letter dated December 28, 1990. As stated in your letter, we have two (2) violations and both of these violations are repeat violations.

During our inspection from June 28 through July 13, 1989, I was instructed by your representative, James R. Mullauer, M.H.S., that the shipping papers needed to transport the devices were the ones that Ms. C.C. Casey reviewed. I issued these papers to all employees who use the devices and they were carrying these papers on the front seat of their vehicles.

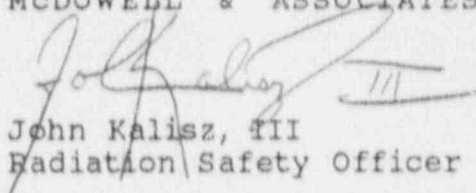

After inspection by Ms. Casey, I was informed that these papers are incorrect. I was instructed by Ms. Casey to issue a different transport paper. I am sending your office a copy of this transport paper to insure that it is the correct one.

I have also purchased a survey meter from Troxler. A copy of the bill is enclosed.

If you have any questions, please feel free to call.

Very truly yours,

McDOWELL & ASSOCIATES
