Mr. John Bailey
Communications Consultant
United Telephone Company
40 N. Third Street
Columbia, Pennsylvania 17512

Dear Mr. Bailey:

Please disconnect all services being billed to the Nuclear Regulatory Commission (NRC) in connection with the telephone numbers (717) 367-1936 and 367-5239, located in a trailer at the Three Mile Island Nuclear Power Plant Visitors Center, Middletown, Pennsylvania.

All calls to these numbers should be referred to 717-238-0867. The effective date for this request is February 1, 1980. Access to the trailer may be arranged two days in advance with Mr. John Collins, or his staff, 717-782-3955.

Please provide this office with an itemized list of any services which your company may be billing to NRC as of February 2, 1980. Questions regarding billing should be referred to Mr. Herbert Rickert. Other questions regarding this matter should be directed to Mr. Stuart Cohen. Messrs. Rickert and Cohen can be contacted on 301-492-8000.

Sincerely,

Vernon S. Kerr, Chief
Telecommunications Branch
Division of Facilities and
Operations Support, ADM
