MEMORANDUM FOR: Richard C. DeYoung, Director  
Office of Inspection and Enforcement

THRU: Daniel J. Donoghue, Director  
Office of Administration

FROM: John H. Corley, Director  
Division of Facilities and Operations, AD11

SUBJECT: REMOVAL OF BEEP TONES FROM HRC OPERATIONS CENTER TELEPHONES

This is in reply to Mr. Stello's memorandum of October 15, 1981, subject as above. At a meeting on November 4, 1981, among members of our respective staffs, agreement was reached on interim arrangements using existing facilities until recently procured equipment is delivered, installed and tested. The scheduled operational date for the new equipment is mid-January, 1982.

Should your staff have any questions, please have them call Brian Brownell on 27927.
