Dear Dr. Long:

SUBJECT: OYSTER CREEK NUCLEAR GENERATING STATION INTEGRATED SCHEDULE
ABC LIST UPDATE

GPU Nuclear Corporation (GPUN) provided the fifth update to the integrated schedule dated December 17, 1990. The update included a listing of projects completed during the last three months since the September 21, 1990 submittal and discussed reasons for scope and schedule changes as required by the approved Long Range Planning Program (LRPP). The purpose of this letter is to document our review.

We have reviewed the Category ABC list and find that the projects listed to be in compliance with the LRPP and are acceptable.

Sincerely,

151

Alexander W. Dromerick, Senior Project Manager
Project Directorate I-4
Division of Reactor Projects - I/II
Office of Nuclear Reactor Regulation
