Docket Nos. STN 50-528, STN 50-529 and STN 50-530

Dear Ms. Bernabei:

As I related during our November 16, 1982 telephone conversation, the visit by the NRC's OPE representative which was scheduled for November 18, 1982 was postponed. The tour for this representative is now rescheduled for December 2, 1982 beginning at 9:30 am at the Palo Verde Visitor's Center. Once again, representatives of the NRC Staff, the Intervenor (Patricia Hourihan) and the Petitioner (West Valley) have been invited to join the OPE representative in this tour.

As I have previously advised, a condition of this tour is that no discussion is allowed of contested issues under consideration by the Atomic Safety and Licensing Board.

Sincerely,

Lee Scott Dewey
Counsel for NRC Staff
