

MD/GARDNER LETTER

- 1 -
JAN 16 1991

Ms. Mary Beth Gardner
American Nuclear Society
555 N. Kensington Ave.
LaGrange Park, IL 60525

Dear Ms. Gardner:

This letter is a follow up to my telephone conversation on January 16, 1991 with your colleague Ellen Burke. As I told her, I am unable to sign the copyright waiver because the U.S. government is not entitled to copyright government material. Therefore, there is no copyright to convey. However, the U.S. Nuclear Regulatory Commission has no objection to publication of my paper in the proceedings for the 1991 International High-Level Radioactive Waste Management Conference.

If you have any other questions, please feel free to contact me at (301) 492-0430.

Sincerely,
