RE: Regulatory Guide 8:18, Revision 1, October 1982.

Gentlepersons:

Please note the last sentence on Page 5. The intent of the writing probably was 10 mrad/hour not 10 mrad/week; the latter being an extremely low "instantaneous" rate. Perhaps the word "instantaneous" was not intended at this location.

Sincerely

Robert F. Moyer, Ph. D.
Medical Radiation Physicist
