MEMORANDUM FOR: T. Sherr, NMSS (5)  
 R. Jones, SD (1)  
 S. Yaniv, RES (1)

FROM: Frank J. Arsenault, Acting Director  
 Division of Safeguards, Fuel Cycle  
 and Environmental Research

SUBJECT: MEETING ON CONSEQUENCE ESTIMATION, PHASE III

On Thursday, June 2, at 2:00 pm in room 1027, there will be a meeting with Dean Kaul of SAI to discuss the initiation of Phase III of the Consequence Estimation study. By providing him at this early stage with information relating to the potential uses to which the results of Phase III might pertain, we hope to maximize the short term applicability of these results. For example, we understand that the drafting of environmental impact statements requires treatment of the consequences of potential malevolent acts. Please notify cognizant and interested individuals from your office that we would appreciate their attendance at this meeting for the purpose of providing this input. Please direct any questions to Bill Immerman, Ext. 74353.
