Dear Ms. Nordee:

Thank you for your inquiry about publications pertaining to the accident at Three Mile Island. I regret that this answer to your letter has been delayed. The accident and its consequences have created a substantial increase in the agency's workload, which has prevented us from responding to you as promptly as we would have liked to.

I am enclosing copies of two bibliographies that list all relevant Three Mile Island publications and contain information about where these publications can be obtained.

We are pleased to provide you with this information.

Sincerely,

R. H. Vollmer
