MEMORANDUM FOR: James Lieberman, Director
Office of Enforcement

FROM: Steven A. Varga
Acting Associate Director for Projects
Office of Nuclear Reactor Regulation

SUBJECT: PROPOSED CIVIL PENALTY - NINE MILE POINT 2

The Division of Reactor Projects and the Division of Engineering and Systems Technology have reviewed the Regional Enforcement Recommendation regarding Nine Mile Point 2 and we concur with the action proposed by the Region. Our specific comments regarding the questions on the Enforcement Action form are enclosed. These comments have been discussed with J. Johnson, Region I, and W. Trostoski, OE for consideration.
