475 Allendale Road  
King of Prussia, Pennsylvania 19406

Dear Mr. Abraham:

This is a Freedom of Information Law request for copies of documents and/or correspondence relating to Cintichem Inc. of Sterling Forest, Town of Tuxedo, New York. Up until Feb. 9, 1990, the firm operated a 5-megawatt nuclear reactor at the site.

I am interested in copies of the following:

1. Any correspondence/documents related to discharges of water at the Cintichem site after the Feb. 9, 1990 incident where 30,000 gallons were released into the Indian Kill Reservoir.
2. Any correspondence/documents related to decommissioning of the 5-megawatt reactor at the plant.
3. Any records of radiation testing at the plant after March 1, 1990. This would include any NRC testing as well as sampling by the plant or the New York State Dept. of Environmental Conservation.

If there are any fees for copying the records, please let me know in advance. I may be reached at 914-782-8208.

If for any reason any portion of this request is denied, please inform me of the reason in writing and where I may address my appeal.

I thank you for your prompt attention.

Sincerely,

*William Berezansky*
