FREEDOM OF INFORMATION
ACT REQUEST

FOIA-90-392
Rec'd 8-31-90

Dear Sir or Madam:

Under the Freedom of Information Act I request copies of the following documents:

1. All U.S.-origin publications, files, correspondence, or other documents, containing analyses, discussions, or presentations of:
 - Canadian-source emissions of radioactive materials into the Great Lakes, or other bodies of air or water of concern to U.S. interests;
 - Comparisons of such emissions and U.S.-source emissions; or
 - Comparisons of Canadian and U.S. regulations governing radioactive emissions; and

2. A list of all U.S.-origin publications, files, correspondence, or other documents, containing analyses, discussions, or presentations of:
 - Canadian-source emissions of non-radioactive toxic materials into the Great Lakes, or other bodies of air or water of concern to U.S. interests;
 - Comparisons of such emissions and U.S.-source emissions; or
 - Comparisons of Canadian and U.S. regulations governing such emissions.

Please reply within 10 working days by international air mail.

My organization is a non-profit citizens' group. We shall use the documents to educate the public and to seek reform in government policies. Therefore we request a waiver of search and copying fees.

I have also contacted E.P.A. with a very similar request. It is not my intention to request or receive duplicate information.

If you have any questions, please contact our legal counsel, John Bonine and Mike Axline, in Eugene, Oregon, at (503) 686-3823.

?

Sincerely,

Norman Rubin
