NOTE TO: John W. Hickey, Environmental Protection Standards Branch, SD
FROM: R. L. Bangart, Acting Chief, Effluent Treatment Systems Branch, DSE
SUBJECT: REVIEW OF AMENDMENTS TO INCORPORATE 40 CFR 190 REQUIREMENTS

We have reviewed the draft Commission Paper on 40 CFR 190 that was transmitted for our review by your letter dated July 6, 1979. We agree with your recommended approval to publish the short proposed amendment requiring NRC licensees to comply with 40 CFR 140. We have no substantive comments to offer.
