Mr. Allen Weiss
Nuclear Waste Management Division
Building #830
Brookhaven National Laboratories
Upton, NY 11973

Dear Mr. Weiss:

As per your conversation with our Mr. Arshad Nawaz, GPU personnel would like to visit Brookhaven National Laboratories and hold an informal discussion, with regard to solidification agents, with members of your organization. In particular we would like to discuss the characteristics of the agents as they apply to TMI-2 type wastes.

We would like to meet as soon as it is convenient and would appreciate your coordinating this meeting with Mr. Nawaz (717-948-8303)

Sincerely,

R. F. Wilson
Director, TMI-2
Recovery
