PART II B - APPLICABLE EXEMPTIONS

Records subject to the request that are described on the enclosed Appendixes *Q+R* are being withheld in their entirety or in part under the Exemptions and for the reasons set forth below pursuant to 5 U.S.C. 552(b) and 10 CFR 2.17(a) of NRC Regulations

- 1. The withheld information is properly classified pursuant to Executive Order (EXEMPTION 1)
- 2. The withheld information relates solely to the internal personnel rules and procedures of NRC (EXEMPTION 2)
- 3. The withheld information is specifically exempted from public disclosure by statute indicated (EXEMPTION 3)

Sections 141-145 of the Atomic Energy Act which prohibits the disclosure of Restricted Data or Formerly Restricted Data (42 U.S.C. 2161-2165)

Section 147 of the Atomic Energy Act which prohibits the disclosure of Unclassified Safeguards Information (42 U.S.C. 2167)

- 4. The withheld information is a trade secret or commercial or financial information that is being withheld for the reason(s) indicated (EXEMPTION 4)

The information is considered to be confidential business (proprietary) information.

The information is considered to be proprietary information pursuant to 10 CFR 2.790(d)(1)

The information was submitted and received in confidence pursuant to 10 CFR 2.790(d)(2)

- 5. The withheld information consists of interagency or intraagency records that are not available through discovery during litigation (EXEMPTION 5) - Appellate Privilege

Deliberative Process: Disclosure of predecisional information would tend to inhibit the open and frank exchange of ideas essential to the deliberative process. Where records are withheld in their entirety, the facts are inextricably intertwined with the predecisional information. There also are no reasonably segregable factual portions because the release of the facts would permit an indirect inquiry into the predecisional process of the agency.

Attorney work product privilege (Documents prepared by an attorney in contemplation of litigation)

Attorney-client privilege (Confidential communications between an attorney and his/her client)

- 6. The withheld information is exempted from public disclosure because its disclosure would result in a clearly unwarranted invasion of personal privacy (EXEMPTION 6)

- 7. The withheld information consists of records compiled for law enforcement purposes and is being withheld for the reason(s) indicated (EXEMPTION 7)

Disclosure could reasonably be expected to interfere with an enforcement proceeding because it could reveal the scope, direction, and focus of enforcement efforts, and thus could possibly allow them to take action to shield potential wrongdoing or a violation of NRC requirements from investigators (EXEMPTION 7 (A))

Disclosure would constitute an unwarranted invasion of personal privacy (EXEMPTION 7(C))

The information consists of names of individuals and other information the disclosure of which could reasonably be expected to reveal identities of confidential sources (EXEMPTION 7 (D))

GAP requests that fees be waived, because "finding the information can be considered as primarily benefiting the general public," 5 U.S.C. 522 (a) (4) (a). GAP is a non profit, non-partisan public interest organization concerned with honest and open government. Through public outreach, the Project promotes whistleblowers as agents of government accountability. Through its Environmental Whistleblower Clinic, GAP offers assistance to local public interest and citizens groups and intervenors in the concern for safety at nuclear power plants.

We are requesting this information as part of an ongoing monitoring project of the NRC's efforts to protect public health and safety at and near nuclear processing plants and radioactive waste facilities.

For any documents or portions that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld.
