Submittal of Revised Emergency Response Plan  
in Accordance with 10 CFR 50.54(r).

Gentlemen:

In response to the above referenced regulatory requirement, Oregon State University hereby submits ten copies of a completely revised emergency response plan for the OSTR and associated facilities. This plan has been prepared in accordance with all applicable Commission guidance on emergency response planning for research reactors, and we sincerely hope we have addressed all pertinent issues.

Should you have any questions regarding our plan, or if you need additional information please let me know. We hope you find our plan to be in good order.

Sincerely yours,
