6346, 6745, 6347, 9057, 6703, 9034, and 9037

Gentlemen:

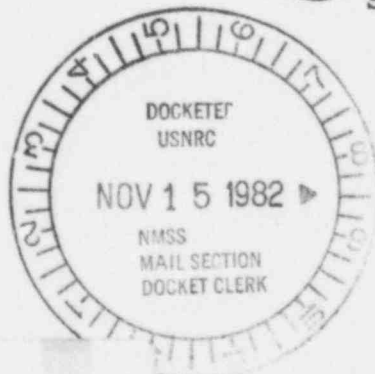

By a letter dated October 7, 1982, issued in response to our request, the Nuclear Regulatory Commission gave its consent to acquisition by GA Technologies Inc. of the interests of General Atomic Company in and concerning the certificates of compliance (listed above) applicable to shipping containers FSV-1, FSV-2, FSV-3, FPD-1, RG-1, TRIGA-1, and TRIGA-2. This is to inform you that the acquisition was effected today.

We thank NRC for its cooperation.

Very truly yours,

J. P. Logan

Thanks particularly for the help you gave us promptly after the initial application. The new incarnation of GAC was quite a complicated matter overall, but at least we did not step wrong concerning the shipping containers.
