Gentlemen:

Thank you for your letters of September 10, and October 4, 1982, in response to our letter and Notice of Violation dated August 30, 1982.

Based on our review of your response, we find that additional information as discussed with Mr. C. R. Olsen of your staff by telephone on October 21, 1982, is needed. Relative to your letter of October 4, 1982, your response did not address those actions taken or planned to improve the effectiveness of your management control of the requirements of your license.

Please provide us with your response to the above concerns within 10 days of your receipt of this letter so that we can continue our review of this matter.

Sincerely,

John T. Collins  
Regional Administrator, RIV
