SAFEGUARDS INFORMATION REMOVED

Gentlemen:

SUBJECT: NRC INSPECTION REPORT NO. 70-1252/91-01

This refers to the inspection conducted by A. Tillman of this office on January 2-3, 1991. The inspection included a review of activities authorized for your Edlow International Company. At the conclusion of the inspection, the findings were discussed with Mr. N. Ravenscroft via telephone.

The inspection was an examination of activities conducted under your license with respect to radiation safety and compliance with NRC regulations and the conditions of your license. It included selective examinations of procedures and representative records, interviews with personnel, and direct observations by the inspector.

Within the scope of the inspection, violations or deviations were not identified.

The material enclosed herewith contains Safeguards Information as defined by 10 CFR Part 73.21 and its disclosure to unauthorized individuals prohibited by Section 147 of the Atomic Energy Act of 1954, as amended. Therefore, the material will not be placed in the Public Document Room.
